

Interested in Firefighting?

yeah!

Warwick Township
Fire Company's
"Firefighter Camp 101" is for you!

This camp is for teenagers and young adults, ages 14 and up, who've been thinking about firefighting and helping people.

You can check it out to see what it's like without committing. It also gives your parents a chance to check things out, so they are cool with everything.

The camp starts on Tuesday August 10th

and meets every Tuesday night in August from 7:30-9pm at the Warwick Firehouse. Our training covers cool stuff used in firefighting like hose line techniques, ladders, Jaws of Life, fire behavior, proper equipment use and above all, safety.

We have a ton of young guys and girls like you that are having a great time as members at our firehouse. Interested?

Drop by the firehouse Tuesday night August 10th at 7:30 pm.

Bring your Mom or Dad (so we know that they are cool with you taking the camp) and if they're up to it they can try stuff too!

Email us at camp@warwickfd.com, if you have any questions.

It's FREE...and it's fun. We're across from McDonalds's on York Rd. in Jamison. All attendees get a cool hat and official t-shirt.
